

SCOTT J. DICKINSON, ESQ.

With almost two decades of experience as a trial attorney managing a heavy case load of high-end matters, Scott Dickinson brings with him a wealth of personal knowledge to the alternative dispute resolution industry. Having been involved in over 2,500 arbitrations, mediations and settlement conferences as an attorney, he is well aware of and acquainted with the ADR process.

Mr. Dickinson has an advanced degree in physiology and has an extensive background in anatomy and sports medicine; he has also taken courses at UCLA in anatomy and physiology and was a University post-graduate instructor and physiology provider for the California Nursing Registry. His extensive knowledge of the human anatomy gives Mr. Dickinson a unique understanding of personal injury mediations and arbitrations.
