

MICHAEL R. DILIBERTO, ESQ.

Michael Diliberto has settled over 1000 cases as a full-time Mediator. His skillful resolution of the most complex and emotionally charged matters has made him one of the most sought after mediators in Southern California. Michael draws upon his sixteen years of domestic and international trial experience, to provide a candid and useful assessment of potential outcomes at trial for all counsel. His ability to empathize and connect with both parties, and his tireless effort to keep the parties engaged in the negotiation process, enable him to settle even the most “impossible” cases. Michael also successfully understands and resolves cross-cultural matters. He was appointed as Administrative Law Judge for the Office of Administrative Hearings, where he has served as a part-time Judge since 2007.
