CURRENT PROFESSIONAL AFFILIATION

I'm a sole practitioner in arbitration and mediation, under contract with the Riverside Superior Court in Riverside since 1984 to mediate (hold settlement conferences) on all civil cases, trial length of which are estimated to be over one day. I mediated to a settlement 69% of the cases for the Superior Court. I've arbitrated and mediated thousands of cases of all types; I'm retained with such frequency that I'm working full time.

Dean of California Southern Law School, Riverside, from 1971 to present.
